First Fall Special of the COLONIAL GARDENS

Offering Many Rare and Famous Glads, Some at 1/10 - 1/20 of Last Year's Prices

PICARDY SPECIALS

THIS fall sees another dream of the glad fan come true: the dream of being able to have as the *main planting* in one's garden the sensationally beautiful Picardy, introduced only three years ago at \$20 apiece. Due to the rapid propagation of this variety we are able to offer it at remarkably low prices. We advise very early ordering, however, as we anticipate a complete sell-out of both large and medium sizes long before spring.

Any description of Picardy is probably superfluous: its wonderfully rich soft apricot-salmon color, overlaid with a silvery sheen much like the "blush" on many fruits, makes it far and away superior to any other glad in its color class. We have grown Picardy with eight florets open at one time, florets being six and one-fourth inches in diameter. Order as many of these Picardy specials as you wish, but order them promptly!

No. 1 — Large Size Special

6 Large — 3 No. 1, 3 No. 2 for **\$1.00**

Plus 3 medium free if you choose Picardy as your extras. (See special offer on extras below.) 9 bulbs for \$1.00.

No. 2 — All Size Special

5 Large, 5 Medium, 5 Small for **\$1.35**

Plus your choice of extras

Picardy throws the same giant spikes from medium bulbs that it does from large — there is much less difference than with most varieties. So many fans will prefer these specials with emphasis on the medium sizes.

Picardy — Pelegrina — Margaret Fulton FREE with every order.

Choose your own "extras" with your orders from this special fall list according to the following plan: With every dollar of your order you may select any one of the following varieties: three medium bulbs of Picardy, or one blooming size bulb (large or medium) of Pelegrina, or one large bulb of Margaret Fulton (pictured on cover). With orders for several dollars you may get

all three or several of each. Please list second and third choices of extras as we have only about 1000 Margaret Fulton and 2000 Pelegrina to give away. **DOUBLE EXTRAS ON LARGE ORDERS:** On orders of \$5 or more, in addition to the preceding extras, we will send you one large bulb of Sweetheart (\$2.50 value); on orders of \$10 or over we will send one large bulb of Dr. Hoeg (\$5.00

value.) Orders must be accompanied by cash in full to secure extras.

We consider both Sweetheart and Dr. Hoeg among the 25 finest glads that we grow. Sweetheart is a beautiful prim grand that grows to a height of five feet. Color the purest pink imaginable blending to a large throat of immaculate snowy whiteness. Substance heavy and waxy. Florets large and beautifully frilled. Dr. Hoeg is probably the finest dark-red in commerce. Round wide-open florets like maroon velvet with just a line of silver grey around the edge. Does not burn in the sun; fine grower. *Here is an unusual opportunity* to add to your collection NOW two famous new glads that you might not otherwise secure for two or three years.

WE ADVISE VERY PROMPT ORDERING. ALL STOCK OFFERED SUBJECT TO PRIOR SALE.
